*New Theater Program
Exposes Our Residents
To The Arts*

Poydras Home's Vice-President of Development Charlotte Thomas has earned the Chartered Advisor in Philanthropy® professional designation from The American College of Bryn Mawr, Pennsylvania. Ms. Thomas' successful completion of the CAP® program equips her with the knowledge and tools needed to help clients reach their charitable giving objectives while also helping them meet their estate planning and wealth management goals. Congratulations to Charlotte!

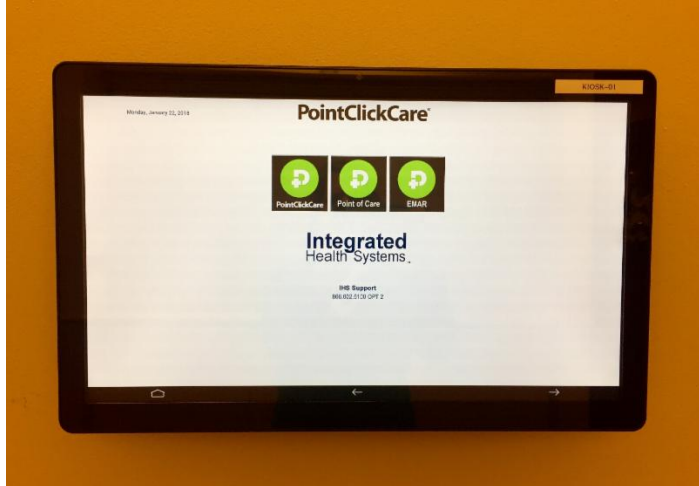

In December, a group of Poydras Home residents attended the Loyola University play "Christmas at Pemberly" as part of our new theater program in partnership with Southern Rep Theatre. Southern Rep will soon begin a combination of programming at Poydras Home culminating with opportunities to attend local matinee performances. At Poydras Home, performers will engage our memory care residents using a scripted improvisation technique to create a play or scenes that they can act out together. The professional actors will also share aspects of their craft with our broader population in a series of informal sessions. Poydras Home continues to reach into the Greater New Orleans arts community to forge partnerships that enrich the lives of our residents.

Poydras Home Unveils New Technology Tools

Poydras Home's nursing department has installed a new wireless phone system which will be used to improve call bell response times.

After conducting thorough industry research, Poydras Home has also selected an electronic medical records system called Point Click Care technology that enables healthcare providers to more easily manage and coordinate care. The installation and implementation of this new tool with staff training will be completed within the first quarter of 2018.
